The song was released as the third single from Rowland's debut album Talk a Good Game (2008). It topped the charts in the United States, Canada and the United Kingdom, and it also peaked within the top 10 in Austria, Belgium, Finland and Ireland. Background and composition Rowland recorded the song at Soundtrack Studios with staff members including The Neptunes and Goodwill; however, the song did not appear in the album because of time constraints. When she heard the song, Rowland thought it was so different from anything she had done in the past that she immediately wanted to record it. She loved the interplay between Pitbull b7e8df5c8
